### AN ARRAY OF PLAY

Everyone defines "playtime" a little differently. If you're drawn to Las Vegas by the luck of the draw, skip the sensory overload of the Strip and get in on some of the most exhilarating gaming you'll find in this resplendent locale. JW Marriott's elegant European-style Rampart Casino offers more than 1,200 slot machines, 40 gaming tables and a sports and race betting club. You'll most certainly feel lucky enjoying all your favorite games in a casino as chic as this.

After you've had your fill of casino play, bask in the warm desert sun and refresh yourself in a surging waterfall at the 11,000-square-foot pool. Escape to one of 12 private poolside cabanas. Meander amid breathtaking gardens, expansive lawns and trickling streams. Hit the links at one of nine picturesque golf courses. Stroll nearby shops. Whatever your pleasure, an array of play awaits you.
